#### **You must submit a claim to get paid.**

<b>What's happened?</b>	On September 11, 2019, the United States District Court for the District of Minnesota (the "Court") approved a class action settlement (the "Settlement") in a case called <i>Bhatia, et al. v. 3M Company</i> , File No. 0:16-cv-01304-DWF-DTS (the "Action"). The Action concerned whether Lava Ultimate Restorative blocks made by 3M Company ("3M") and sold to dentists and dental practices performed as warranted or represented when the blocks were milled and seated as dental crowns.
<b>Didn't I already get a notice?</b>	<p>The Court previously sent you a notice on May 10, 2019 (the "Notice") because 3M's records indicated that you purchased Lava Ultimate Restorative dental blocks. That Notice explained your legal rights and options and provided instructions for how to file a claim requesting settlement benefits for any full or partial debonds your patients seated with Lava Ultimate Restorative dental crowns experienced and that you repaired or paid to have repaired on or before May 10, 2019. Claims related to debonds repaired during that period were due by August 8, 2019 and may no longer be submitted.</p> <p>The Notice also explained that claims related to any full or partial debonds that you repaired or paid to have repaired at any time from May 10, 2019 through September 7, 2020 must be filed by December 15, 2020. The Court authorized this supplemental notice to remind you of this second claim period.</p>

<p><b>What do I do now?</b></p>	<p>If you purchased Lava Ultimate Restorative, seated dental crowns milled from those blocks before June 15, 2015, and one or more of your patients experienced one or more full or partial debonds that you repaired or paid to have repaired at any time from May 10, 2019 through September 7, 2020, <b>you must submit a Supplemental Claim Form and any supporting documentation by December 15, 2020 to receive a payment.</b> You can submit a Supplemental Claim Form quickly and easily online at <a href="http://www.DentalCrownSettlement.com">www.DentalCrownSettlement.com</a>. If you can't access the internet, we have enclosed a hard copy Supplemental Claim Form with this supplemental notice that you can use if necessary.</p>
<p><b>What can I get now?</b></p>	<p>As was the case during the initial claim period, you may elect one of two ways to value your supplemental claim for each full or partial debond. You can choose to claim (1) a fixed amount of \$250 per debond or (2) an amount higher than \$250 per debond for unreimbursed, out-of-pocket loss caused by a debond. To make either kind of claim, you must provide the information and documents listed in the Supplemental Claim Form for that kind of claim.</p> <p>After making payments for eligible claims filed for debonds repaired before May 10, 2019, there remains approximately \$2,115,000.00 to pay claims related to debonds repaired at any time from May 10, 2019 through September 7, 2020. The amount that you receive will depend upon the total dollar value of valid supplemental claims submitted. If the total dollar value of supplemental claims exceeds \$2,115,000.00, each eligible claimant's award will be reduced proportionately. For example, if the award represents 1% of the total amount of all awards, then the claimant will receive 1% of the funds distributed.</p>
<p><b>When and where will I get my check?</b></p>	<p>If you submit a valid supplemental claim, you will receive a payment in the form of a check mailed to you after completion of the review process for Supplemental Claim Forms, at the address provided on your Supplemental Claim Form. If you plan to move from the address provided on your Supplemental Claim Form, you will need to notify the Claims Administrator promptly in writing of your new address.</p>
